Proposal

We make a difference.
That's why they prefer us.

History of EZNwellness

The fastest growing EAP company,
EZNWELLNESS is now **No. 1 EAP company in market share**

EZNwellness is an integrated wellness company supporting mental and physical health of Korean employees across the country.

The clients are covered with the benefits such as psychological counseling, sleep care, critical incident program(Mind Care 119), organizational psychological diagnosis/consulting, and diverse kind of training/workshop programs.

Our Well-being programs are closely related to life satisfaction, work engagement, and organizational productivity.

Within our clients, the positive effectiveness of program was discovered from the employees.

Mental & Physical health is a fundamental basis of job performance in workplace and it is also crucial for employee's happiness.

EZNwellness will always walk together to make our clients have a better day.
